## VitrA V-Care Smart Toilet

The ultimate personal hygiene experience

VitrA V-Care Smart Toilets offer the best options to answer your water-based cleansing needs, with three variants: Prime, Comfort and Basic.

Prime

Comfort

Basic

# A smart toilet engineered as a design icon

Designed by Arik Levy in collaboration with the Design Studio Vitra and Innovation Center, the V-Care Smart Toilet Prime exemplifies the perfect integration of bathroom design and sophisticated technology, which pampers while it delivers the ultimate in personal hygiene.

# Prime

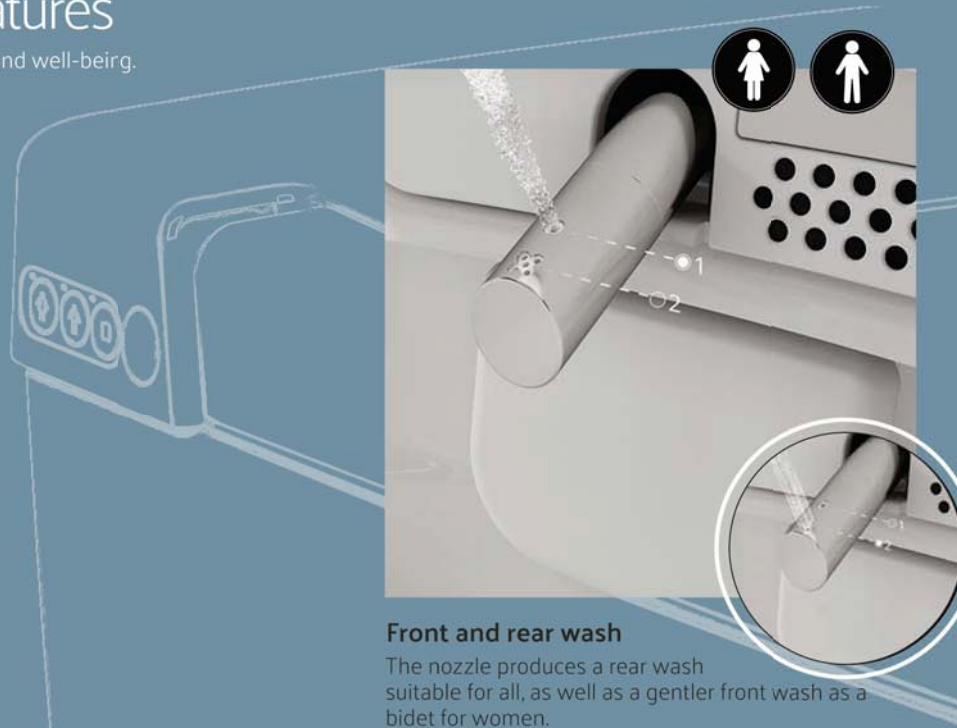

The V-Care Smart Toilet Prime is available in two variants: wall-hung and floor-standing

# V-Care Smart Toilet Prime

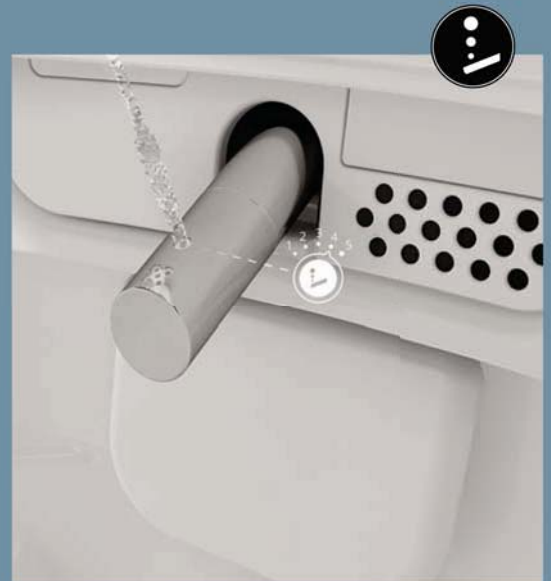

## Personal hygiene features

Every detail is designed for personal hygiene and well-being.

### Front and rear wash

The nozzle produces a rear wash suitable for all, as well as a gentler front wash as a bidet for women.

### Adjustable water pressure

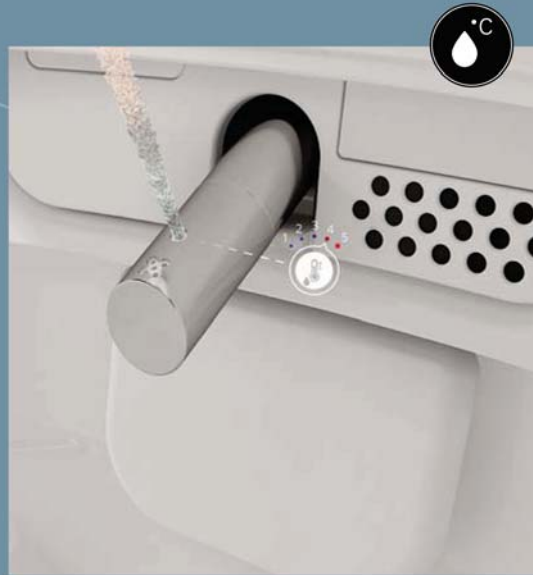

Five different levels of water pressure offer a thorough and pampering wash.

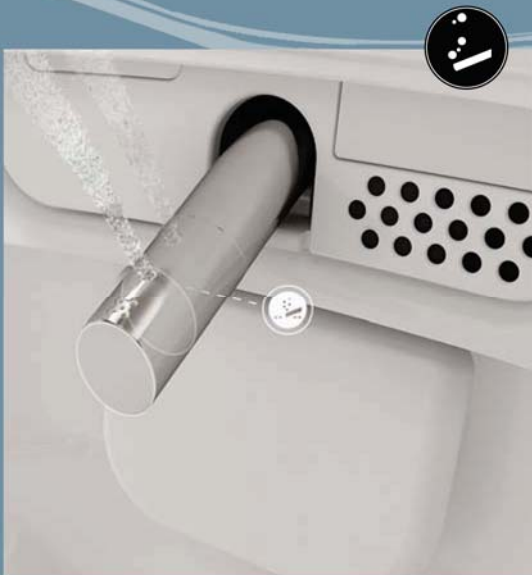

### Adjustable nozzle position

Perfect cleansing by adjusting the nozzle back and forth.

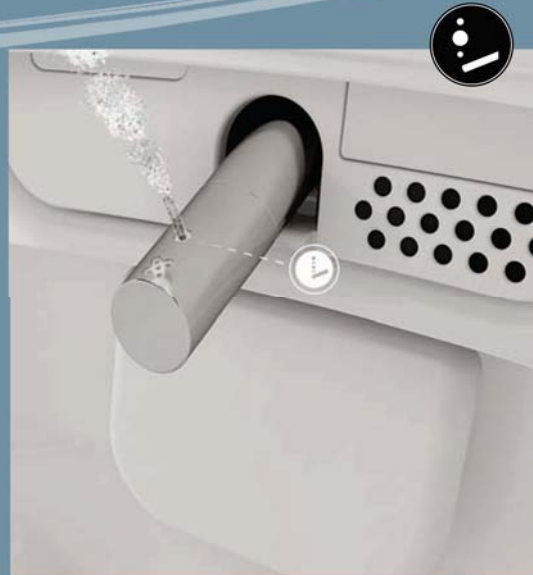

### Adjustable water temperature

Five different water temperature settings offer a more comfortable cleansing ritual.

### Oscillating wash

The bidet nozzle moves back and forth for a thorough clean over a larger area.

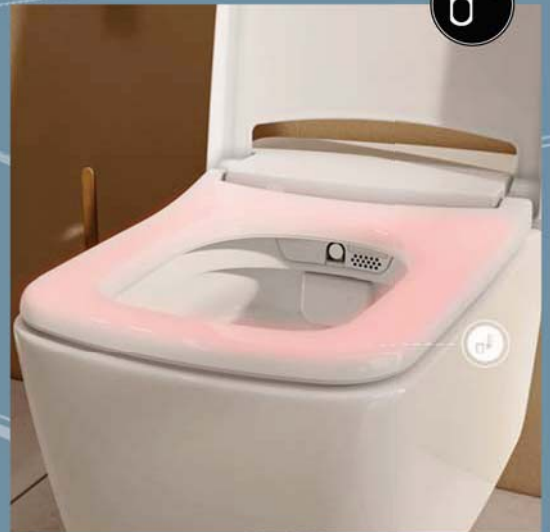

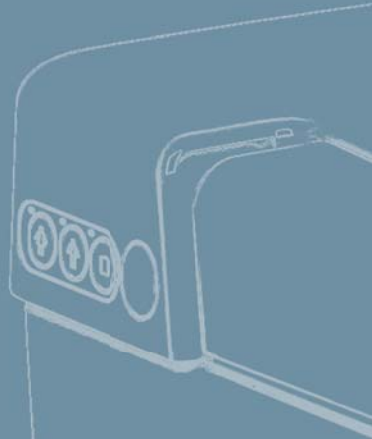

### Massage wash

The water pressure alternates between gentle and firm for a massaging wash.

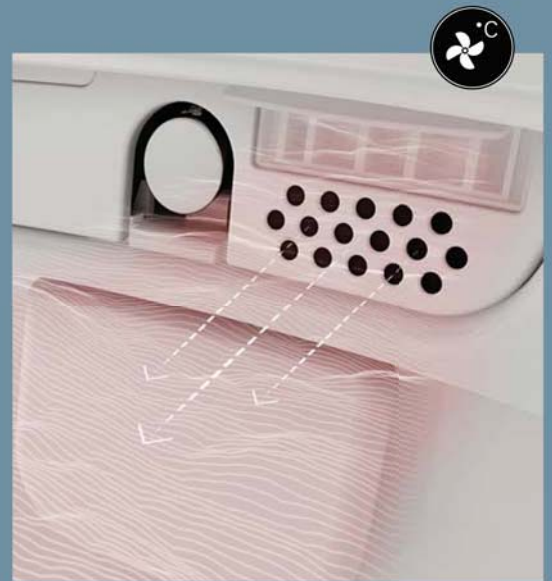

# V-Care Smart Toilet Prime Comfort features

Every detail is designed for comfort.

## Adjustable seat temperature

The seat has a choice of five temperature settings to complete your comfort.

## Dryer and adjustable air temperature

After washing, the warm-air dryer provides fast and gentle drying. Also, free yourself from toilet roll. Five different levels of air temperature settings offer more comfortable drying.

### Auto open/close lid

The motion sensor automatically raises the lid on detecting your approach, eliminating the need to touch it.

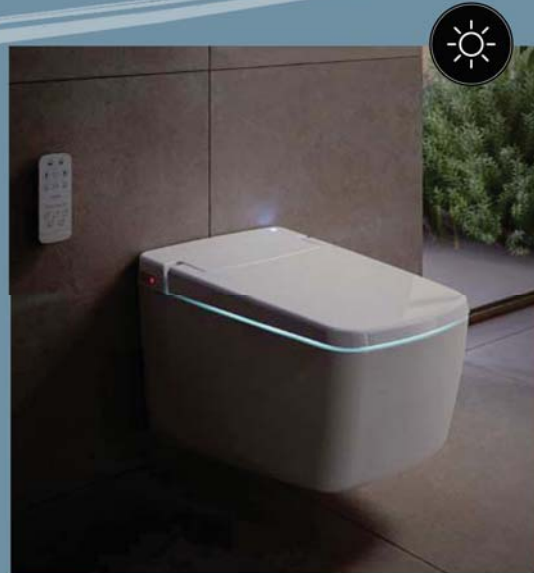

### Open/close lid and seat

The lid and seat can also be opened and closed by remote control or mobile app, with no need to touch the seat.

### Air purification

Thanks to powerful deodoriser filters, the air is freshened around the toilet.

### Night light

The LED night light is automatically activated when the ambient light levels fall.

# Comfort at your fingertips

VitrA V-Care Smart Toilet Prime enhances your toilet experience with technology, including remote control and a mobile app. It provides full control of your hygiene with its touch-free use and keeps your personalised settings for V-Care in the app.
